

What's HallStar In?

A quick guide to finding sunscreens that contain HallStar products

Coppertone Sport Clear Continuous Spray Sunscreen SPF 100+

- **HallStar Product:** SolaStay S₁ (Ethylhexyl Methoxycrylene)
- **Available At:** CVS, Walgreens, Walmart, Kmart, Rite Aid, Target
- **Notes:** Several SPF versions of this product. Look for the **100+** SPF bottle as it is the only one with SolaStay S₁ in it.

Want to search for yourself?
Look for these inactive ingredients
on the back of sunscreens:

- Ethylhexyl Methoxycrylene
- Butyloctyl Salicylate
- Polyester-8
- Dimethyl Capramide

CVS SPORT 100 Spray

- **HallStar Product:** SolaStay S₁ (Ethylhexyl Methoxycrylene)
- **Available At:** CVS only
- **Notes:** Several SPF versions of this product. Look for the **100+** SPF bottle as it is the only one with SolaStay S₁ in it.

Neutrogena Wet Skin Spray

- **HallStar Product:** HallBrite BHB (Butyloctyl Salicylate)
- **Available At:** CVS, Walgreens, Walmart, Kmart, Rite Aid, Target
- **Notes:** Several SPF versions of this product. Look for the **85+** SPF bottle as it is the only one with BHB in it.
